

Carroll Theatre Season 2016 – 2017

The Carroll Theatre program is proud to be a part of the Dragon Community. Our Department works extremely hard all year to provide Broadway quality entertainment to the public.

Students are involved all year long in perfecting their craft. Many attend numerous camps during the summer to enhance their skill set.

Each year Carroll Theatre puts on 2 musicals, participates in the Texas One Act UIL competition and performs plays directed by guest directors, mentoring hundreds of students.

The Carroll Theatre Booster Club is proud to support the department in their endeavor and pursuit of the arts. In the 2015-2016 season our students were honored with 23 nominations, with 7 overall wins.

We are inviting you to help support these Dragon's dreams by becoming a sponsor of the Theatre Department.

Our students need your help this year to continue to protect the tradition of excellence in all Dragon endeavors. Please take a moment to review our Sponsorship Benefits on the following page as well as some wonderful statistics about the theatre program.
